

# Spelling Menu

## Code Words

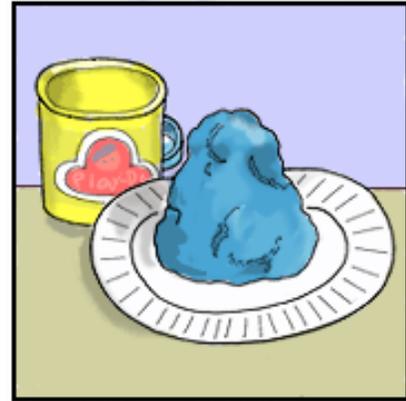

Come up with a code for each letter of the alphabet. Record your code on a separate sheet of paper. Write each spelling word and then write it in code.

EXAMPLE:

a =  b =  c = 

## Playful Words

Use Play-Doh to sculpt your spelling words.

## Across & Down

Write each spelling word across and then down starting with the first letter.

EXAMPLE:

f o u r  
o  
u  
r

## Colorful Words

Write each of your spelling words by writing each letter in a different color.

EXAMPLE:

color
