

Plan

I will write my ideas
down on paper.

Write

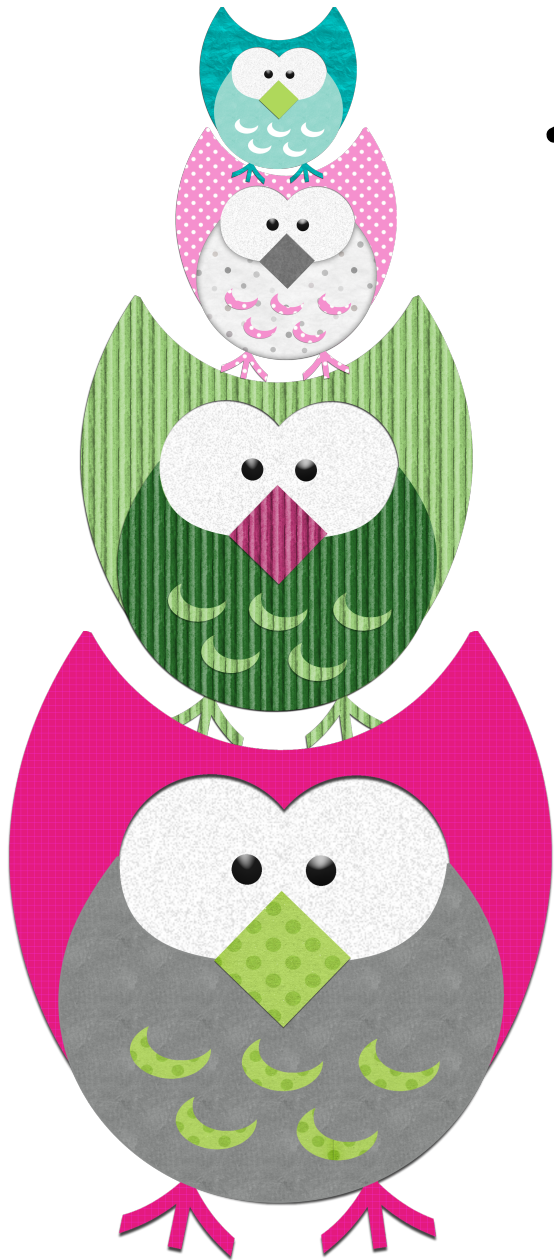

I will turn my ideas into a
fantastic story that
everyone will want to read.

You edit

I will reread my writing,
look for mistakes, and
make corrections.

Teacher edit

I will give my writing to
my teacher to read.
They will help me fix
any other mistakes.

Publish

I will write a final copy in
my neatest handwriting
or type on the computer
to share with my friends.
